

Ballard Market Receipts

This one couldn't be easier...

1. Save your receipts every time you shop at Ballard Market
2. Ask friends and neighbors to save their receipts as well
3. Turn all receipts in once a month to a labeled box in the front office
4. Greenwood gets 1% back on all purchases!

Fred Meyer Rewards

It's a win-win. Earn Rewards Points for yourself - and your favorite cause - every time you shop

This one's pretty easy too...

1. **Get a rewards card** (ask any cashier or customer service desk to sign up)
2. **Link (or re-enroll) your card to Greenwood PTA** just [log in to your online account](#) and set Greenwood PTA as your designated charity
3. **Swipe your card with each purchase** - or enter your phone number as Alt ID if you forgot your card (see account summary online to add phone as Alt ID)
4. **See confirmation** on the bottom of your receipt that you've earned money for Greenwood PTA
5. **Let's extend beyond Greenwood families!** This programs *rewards spending throughout Alaska, Idaho, Oregon and Washington*. Ask friends and family to designate Greenwood as their charity.

AmazonSmile

AmazonSmile. It's the same Amazon you know. Same products, same prices, same service.

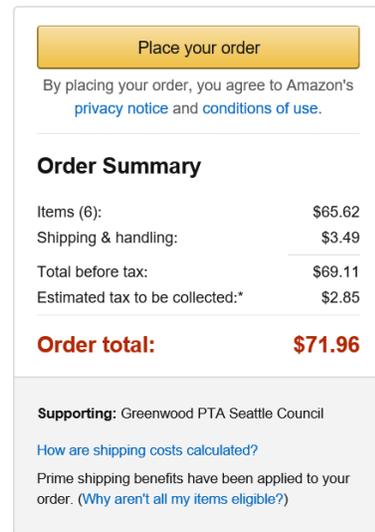

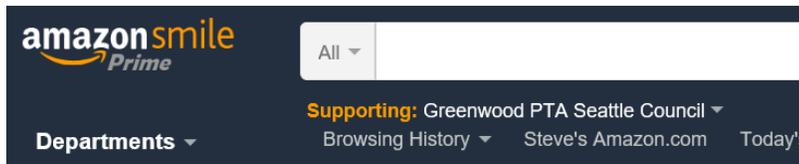

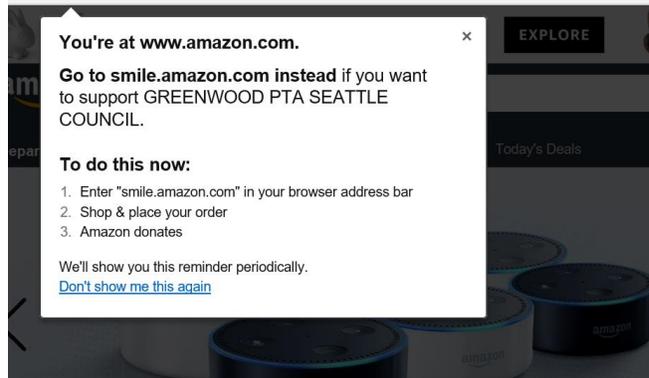

This one is also still pretty darn easy...

1. Go to smile.amazon.com - Use this [direct link](#) or go to your account settings to select a charity
2. **Select Greenwood PTA Seattle Council** as your charity
3. Then shop away and Amazon donates 0.05% of each purchase to our school

Lots of sign posts along the way confirm you are doing this right. Look for these:

- Occasional reminders to start from smile.amazon.com
- Upper left corner near search bar to confirm you are at smile.amazon.com and supporting Greenwood PTA
- When placing your order you'll see **"Supporting: Greenwood PTA Seattle Council"**
- After purchasing you'll get confirmation and can share info about your purchase on social media.

You made a difference.

Because you placed this order at smile.amazon.com, Amazon will make a donation to **Greenwood PTA Seattle Council**.

Your purchases have supported charity **7 times** by starting at smile.amazon.com.

ShopWithScrip

Okay this one I admit requires some work. Honestly it's about two to four days up front to get set up. But after that, I promise, *it's easy*. If you need motivation, know that this program BY FAR has the highest potential return to Greenwood. The list of retailers is vast and the rebates range up to 20%!

Here's how to get started:

1. Set up an account at www.shopwithscrip.com
2. **Select Greenwood Elementary PTA** as your charity. Our enrollment code is 3AB7D9L835494
3. **Sign up for PrestoPay** their online payment program – this links to your checking account and allows you to instantly order and pay for cards. Note: it take ~2 business days to set up and several verification steps
4. **Choose ScripNow vendors** – the ones with instant electronic gift cards. This is faster and easier for you, and cheaper for the school than ordering and distributing physical gift cards. There are over 300 to choose from

Phew, okay. So *once you've done the above* this program really is so fast and easy, you can be in a store or restaurant and spontaneously order a ScripNow e-giftcard, and within about a minute pay or checkout from your phone.

If the amount of your purchase is not exactly the amount of the gift card, the eCard is still good until used up, or some retailers (like Target) give you cash back if residual balance is less than \$5. You can also easily “reload” the cards, so if there are retailers you frequent a lot that makes it even quicker.
